Making Public Education in Auburn All It Can Be!

Technology/Teaching Supplies Reimbursement List

Your AEA bargaining team is proud to have bargained for **Auburn Online** teachers the following:

For the 2021-2022 school year only, certificated staff may submit reimbursement up to \$500 to be made in one payment for technology and supply needs directly related to instruction as part of their bargained tuition reimbursement allocation.

*It is important to know that this is a **ONE-TIME** reimbursement, and it comes out of your \$500 tuition reimbursement*

- *Please note, that you may still set aside some money for tuition reimbursement, but it comes out of this money (up to \$500 for tuition reimbursement).*
- *If you are planning on taking PD in the summer and want to be reimbursed, be sure to save that amount from your \$500 tuition reimbursement.*

The items that are approved:

- *headsets*
- *microphone*
- *webcam*
- *document camera*
- *halo light*
- *hotspot*
- *Wi-Fi booster*
- *internet upgrade*
 - *You will be expected to submit a bill with one level of internet and then another bill clearly showing that you increased speed.*
- *Some digital subscriptions*
- *Other classroom supplies needed for online instruction.*

Items NOT approved:

- *Any Technology specifically purchased for Auburn Online teachers from Department of Technology such as computer, docking station, monitors, etc.*
- *Printers*
- *Paper*
- *Furniture*
- *No Apple products*

**staff are encouraged to use the school printers/copier machines to print materials*

If you are not sure as to whether your item will be reimbursed, please email pres@auburn.wednet.edu
